

LAKEWATCH

A Very Special Edition

THANK YOU

THANK YOU MEMBERS AND DONORS

As 2021 winds down, December is the perfect time to say "thanks" for all the support our members and donors have provided this year. Seneca Pure Waters has had a stellar 2021 so far, and that is all thanks to our members, volunteers, and donors. We have not only met our goals, but we exceeded our previous fundraising records, and have seen the largest increase in membership in years, which allows us to grow our much needed water quality programs.

We hope you have had a good year as well and enjoyed the Seneca Lake news, fundraising events, and conversations about lake health all along the way. Our water quality, education, and community outreach are all funded by your donations, time commitment, and love of Seneca Lake.

So thank you again, and have a happy, healthy holiday season.

YOUR GENEROUS DONATIONS HAVE LED TO:

Expansion of water quality programs with our new Sediment and Nutrient Reduction Program

Growth in individual and business memberships

Full time employment of our
Association Director

A record-breaking year for
fundraising

THANK
you
